Believe in Quality
Consistency & Customer's Satisfaction

We are one of the leading Manufacturers and Exporters of different sorts of Healthcare & Beautycare Tools, situated in the Heart of Leicester. Our Main Products incorporate Beauty Care instruments, Tweezers, Nail and Cuticle Nippers, Cuticle Pushers and Cleaners, Manicure Kits and Nail and Household Scissors Hair Extension Tools, Pet Grooming tools, Professional Barber Shears, and Manicure and Pedicure Implements that are made of finest quality of Japanese Steel.

We have extensive experience of brand development and have worked with many industry leading names that we have helped achieve their brand identity.

It's a family based business & since we started in business, our aim has been to provide the best quality, aesthetically pleasing instruments. Our attention to detail has helped us to create an exceptional reputation with in the industry nationally & internationally.

With almost all of our product range being manufactured in house at our factory in South Asia we are able to offer very competitive prices, and very good lead times.

Charmdor Enterprises is an ISO 9001:2000 certified company and our quality control department ensures that every instrument produced achieves our high quality standard.
